

## HMGB2 antibody

Cat. No. GTX129469

|      |                   |
|------|-------------------|
| 宿主   | Rabbit            |
| 克隆   | Polyclonal        |
| 同种型  | IgG               |
| 实验应用 | WB, ICC/IF, IHC-P |
| 种属反应 | Human             |

## 实验应用

## 应用说明

\*最佳稀释倍数与浓度应由研究人员确认

| Suggested dilution | Recommended dilution |
|--------------------|----------------------|
| WB                 | 1:500-1:3000         |
| ICC/IF             | 1:100-1:1000         |
| IHC-P              | 1:100-1:1000         |

以下为常规应用缩写的中文注解

WB: 免疫印迹

ICC/IF: 细胞染色

IHC-P: 石蜡切片

IHC-Fr: 冰冻切片

## 属性

|      |                                                                                                                                                                                                                            |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 形式   | Liquid                                                                                                                                                                                                                     |
| 存储溶液 | PBS, 20% Glycerol                                                                                                                                                                                                          |
| 保存剂  | 0.01% Thimerosal                                                                                                                                                                                                           |
| 存放说明 | Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. |
| 浓度   | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                                                   |
| 偶联   | Unconjugated                                                                                                                                                                                                               |
| RRID | AB_2886008                                                                                                                                                                                                                 |
| 注意事项 | 仅供实验室使用。不适用于人类或动物的任何临床, 治疗或诊断用途。不适合动物或人类食用。                                                                                                                                                                                |

## 產品圖片

### GTX129469 WB Image

Non-transfected (-) and transfected (+) 293T whole cell extracts (30 µg) were separated by 12% SDS-PAGE, and the membrane was blotted with HMGB2 antibody (GTX129469) diluted at 1:1000.

### GTX129469 WB Image

HMGB2 antibody detects HMGB2 protein by Western blot analysis.

A. 30 µg 293T

B. 30 µg A431

C. 30 µg HeLa

D. 30 µg HepG2

12 % SDS-PAGE

HMGB2 antibody (GTX129469) dilution: 1:1000

### GTX129469 ICC/IF Image

HMGB2 antibody detects HMGB2 protein at nucleus by immunofluorescent analysis.

Sample: A431 cells were fixed in 4% paraformaldehyde at RT for 15 min.

Green: HMGB2 protein stained by HMGB2 antibody (GTX129469) diluted at 1:1000.

Blue: Hoechst 33342 staining.

### GTX129469 IHC-P Image

HMGB2 antibody detects HMGB2 protein at nucleus on human breast carcinoma by immunohistochemical analysis.

Sample: Paraffin-embedded human breast carcinoma.

HMGB2 antibody (GTX129469) dilution: 1:500.

Antigen Retrieval: Trilogy™ (EDTA based, pH 8.0) buffer, 15min
